## Work Experiences

---

### **Devphotogram - Depok** *Videografer*

Oct 2021 - Present

- Documenting events such as weddings, preweddings, engagements or others in the form of cinematic videos

### **Generasi Pesona Indonesia - Indonesia** *Content Creator*

Aug 2020 - Oct 2020

- During my internship at genpi as a content creator, I created content about tourist destinations that are not yet known to many people, for that I create video content for those tourist destinations from before production to completion of production such as writing scripts and storylines, taking videos, until editing. finish in genpi i got certificate.

### **PT Kurnia Ciptamoda Gumilang** *Internship Internal Audit*

May 2021 - Aug 2021

- PT KCG Company (Kurnia Ciptamoda Gemilang) has given me the essential skills to work with some of the best professionals in the audit division. During the three-month internship, I gained skills such as auditing store employees sheltered by PT KCG through cctv and mystery shopper, if the employee's performance is good then they will get a reward and vice versa, the assessment is based on PT KCG's SOP. From the internship, I was required to monitor and see the employee's performance in detail so that there would be no inequality in the assessment of each employee and during the internship period, it convinced me that in various jobs, focus and detail were needed in order to get the best results.

### **PT Ice Messenger Indonesia - Wisma Antara Building 15th Floor, Jl, Medan Merdeka Selatan No. 17 Jakarta Pusat** *Content Creator*

Apr 2022 - Jun 2022

- Creating UMKM culinary content on indochat social media in the form of photos
- Create a short description for UMKM culinary content
- Reporting photo content and descriptions and other information on UMKM via google sheets
- Taking culinary documentation with the concept of an EDFAT Journalist photo and interviewing UMKM owners with 5w + 1h
- Editing photo content via adobe lightroom for contrast and light

### **Asar Humanity - Jakarta** *Campaign Officer*

Feb 2022 - Mar 2022

- Creating video content on Asar Humanity's Instagram social media
- Editing videos of the implementation of humanitarian activities for humanity as a partner
- making videos of humanity basic content starting from the script, taking the video to the editing stage
- documenting humanitarian activities on the basis of humanity, both photos and videos

## Education Level

---
