

ULFA FITRI

About Me

I am a graduate from Agriculture of Andalas University. During my time at the college, I was an assistant of lecturer in my faculty. Beside of that, I was also chosen to be participated in KKN facilitated by Dinas Perkebunan Sumatera Barat. I actively participated joining organizations and committees inside and outside the college. Throughout these experiences, I can improve my skills. I am a hard working person, willing to learn new experiences, have a good communication skill and good at working in team or individual, and i am interest in research, leadership
