To Whom It May Concern

We would like to recommend *Moston Simbolon* as a candidate for a position with your organization, in his position as a *Tehnical Standard Member*, Moston was employed in our company from 2012 – 2013.

Moston has good capability and knowledge of technical aspect of telecommunication equipments such as BTS, Microwave, BSC of multi vendors – including Siemens, Nokia, Ericson and Huawei. He has delivered site survey installation, swap, troubleshooting, and dismantle project.

Moston did good job in this position and was an asset to our organization during him tenure with the project. He can work independently as well as part of team, ables to work under pressure to meet target. He would be an asset to any employer and we recommend him for any endeavor he chooses to pursue
